ALPINE RESPONSIBILITY CODE

Skiing can be enjoyed in many ways. At all times you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- 1 Always stay in control and be able to avoid other people or objects.
- 2 People ahead of you have the right of way. It is your responsibility to avoid them.
- 3 You must not stop where you can obstruct a trail or are not visible from above.
- 4 Whenever starting downhill or merging into a trail, look uphill and yield to others.
- 5 Always use devices to help prevent runaway equipment.
- 6 Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- 7 Prior to using any lift you must have the knowledge and ability to load, ride and unload safely.

Know the Code - Be Safety Conscious
It is Your Responsibility

Start Small
Work your way up. Build your skills.

Make a Plan
Every feature. Every time.

Always Look
Before you drop.

Respect
The features and other users.

Take it Easy
Know your limits. Land on your feet.
